

	Starting plan	Out of the box	Configured	LogAlto +
	Ideal if you want to try out LogAlto and see if the out-of-the-box fits your needs or if you should go for the Configured or LogAlto+ plan	Ideal if you have a smaller team, or if you want something more affordable and very quickly up-and-running	Ideal for organizations that want to get more organized quickly, but prefer fewer features to focus on the essential and ensure user adoption	Ideal for organizations that already have more complex M&E processes and workflows in place and that not only want to facilitate data management, but to facilitate these processes as well.
Setup fee (once) in USD	0 \$	0 \$	15 000	30 000 + travel expenses
